

## Our Mentor-Protégé Agreement

CH2M and Bluestone Environmental Group, Inc. (Bluestone) are proud to announce their relationship as Mentor-Protégé under the U.S. Small Business Administration (SBA) Mentor-Protégé Program. On April 29, 2016, the SBA formally approved CH2M/Bluestone's Mentor-Protégé Agreement (MPA). The purpose of the Mentor-Protégé program is to encourage large business Mentors (i.e., CH2M) to provide a broad range of business development assistance to socially and economically disadvantaged small business Protégés (i.e., Bluestone) to enhance capabilities and help position them in the Federal marketplace for future growth.

### CH2M's Commitment of Support to Bluestone

As part of our MPA, CH2M is committed to providing Bluestone with support to grow their technical, managerial and competitive capabilities. As part of our MPA, CH2M will help Bluestone:

- Increase human resources capacity and capabilities
  - Under the MPA, CH2M can issue sole-source subcontracting to Bluestone which will augment Bluestone's workforce, and Bluestone can also issue sole-source subcontracting to CH2M which will provide opportunities to continue integrating our companies and allow for on-the-job mentoring and training.
- Provide technical support and assistance
  - Bluestone has reach-back into all CH2M's Communities of Practice (CoP). Our CoPs are centered on specific services and technologies and are used to promote professional and technical growth, delivery excellence, technology transfer, lessons learned exchanges, resolution of technical and delivery issues, and innovating sharing within respective areas of specialization.
- Enhance managerial and administrative success
  - CH2M will support Bluestone in developing enhanced accounting systems, health and safety, and quality assurance and quality control procedures, project and program delivery processes, and strengthen management and contract administration capabilities.
